

4X4 CAMPER

Camper Iceland changed all the jack up roof campers in 2008 and 2009. The newly hard side camper has grown to be the most popular vehicle in our fleet. No more jacking up the roof, loosening screws or unbuckle. The hard side camper stands alone and is fully equipped.

4X4 Camper

(Dodge Ram 1500, Ford F150 or similar)

- 200 km/day
